Camp Purpose and Goals

We have designed our All Star Camp for wrestlers of various ages and skill levels. Wrestlers will be divided into small groups to receive personalized instruction throughout the week. You will get the individual attention necessary to help you develop and enhance your skills from an All Star staff consisting of NCAA All Americans, National champions, and even World and Olympic medalists. We are confident the skills that you learn from this camp will be noticed in your upcoming season.

A Tournament for all campers will be held on Thursday. This will allow the wrestlers to try their new technique in live tournament competition.

***Several other great wrestlers will accompany these outstanding clinicians. *Plus, Camp Counselors will consist of OSU wrestlers**
